1. While in [REDACTED] recently, the existence of a technical dictionary in five languages was called to my attention. The dictionary has abbreviations and pictures of many of the items described and made a very favorable impression on Col. Stewart, Chief of Collection Division, USAF. Col. Stewart reported the publisher's willingness to revise and reprint the dictionary for \$18,000. to Washington, and the matter was referred to "The Dictionary Committee".

2. In view of the general ORR and agency interest in matters of this nature, it is called to your attention. An unrevised copy of the dictionary may be seen by contacting Lt. Col. Boggs, A-2, Washington.
